Dear Parents/Guardians,

The Harvey Public School District is dedicated to providing its students with the education they need to prepare them to graduate from high school and enter their adult lives. Our School District is committed to maintaining a high quality education for our students, and we are working hard to provide continuous support to our teachers and our students as they work toward achieving the high academic standards we have set for them. The purpose of this correspondence is to share information regarding the qualifications of our staff through what is known as "*Parents Right to Know*."

At the beginning of each school year, a LEA that receives Title I funds must notify parents of each student attending any Title I school that the parents may request, and that agency will provide the parents on request (*and in a timely manner*) information regarding the professional qualification of the student's classroom teachers, including at minimum the following:

- ◆ Whether the teachers has met State qualifications for the grade levels and subject areas in which the teacher provides instruction;
- ◆ Whether the teacher is teaching under emergency or other professional status that the State has waived;
- ◆ The degree major of the teacher and any other graduate certification or degree held by the teacher and the field of discipline of the certification or degree; and
- ◆ Whether the child is provided services by paraprofessionals and if so their qualifications.

If you have any questions, please feel free to contact me.

Sincerely,

Daniel W. Stutlien
