

PARENTS' RIGHT TO KNOW - 2017-2018

Dear Parents, In an effort to keep our parents and patrons informed on the quality education we deliver at Harvey Public Schools, we feel sharing staff qualifications is an excellent way to illustrate our commitment to our students. The staff at any school defines the education environment therein, and we are devoted to finding both the best quality and highly qualified teachers and paraprofessionals to work with your children to ensure our school is a place where all students truly can be successful. ~ Daniel W. Stutlien, Supt.
